

**Weekly Zoroastrian Scripture Extract # 187 – US Thanksgiving Celebrations - Give our thanks to Dadar Ahura Mazda - Doaa Naam Setaayashne - Verses 1 - 3!**

Hello all Tele Class friends:

Tomorrow, Thursday, November 24th, the whole USA will celebrate one of the major holidays, Thanksgiving, with families and friends! This tradition was started by the Pilgrims sometime in 17th century and is a holiday celebrated in the United States on the fourth Thursday in November. It became an official Federal holiday in 1863, when, during the Civil War, President Abraham Lincoln proclaimed a national day of "Thanksgiving and Praise to our beneficent Father who dwelleth in the Heavens", to be celebrated on the last Thursday in November!

Jo Ann and I have our daughter Shirin, son Marv, grand sons Taj, Zain, Nev here for Thanksgiving and we are very grateful to Daadaar Ahura Mazda for keeping us all together! In that spirit, we all wish you all and your families a very Happy and Healthy Thanksgiving!

This WZSE is then dedicated as a Thanksgiving to Dadar Ahura Mazda for all the wonderful bounties gifted to us all by HIM in HIS beautiful world! We US Zarathushtris also should give thanks to HIM for the wonderful country we live in!

This sense of Thanksgiving is well presented in one of our beautiful short Pazand Prayers, Doaa Naam Setaayashne! This prayer is always recited after the opening Atash Nyaayesh in all Jashan ceremonies. It is also supposed to be recited last just before Doaa Tandoorasti in our daily Farajiyaat.

According to Dr. Purviz Kolsawalla: "Doaa Naam Setaayashne prayer is a wonderful entreaty to Ahura Mazda who is glorified as the Benevolent Giver of Blessings and the Nourisher."

With this in mind, let us repeat our WZSE #133 of last year today to present the first 3 verses of this beautiful Pazand Prayer – Doaa Naam Setaayashne:

### **US Thanksgiving Celebrations - Give our thanks to Dadar Ahura Mazda - Doaa Naam Setaayashne - Verses 1 – 3 Translation!**

(1) May there be gratification of the creator Hormazd!

I begin this prayer in the name of Ahura Mazda who is bestower of good things,  
forgiver of sins and merciful!

I sing and praise HIS name, Ahura Mazda, who always was, is and will be.  
Whose name is God, the Beneficent Spirit; and who is the Spirit amongst the  
Spiritual ones.

HIS Own one special name is Hormazd.

That Lord is the greatest, powerful, wise, creator, nourisher, protector,  
care-taker, virtuous, forgiver of sins, dispenser of justice and all powerful!

(2) I offer thanks to that Exalted Lord amongst the existing ones  
who is the Creator of the entire creation and is the designer of its end;  
and who with HIS own selfhood, strength and wisdom created most sublime six

Ameshaashpands,  
many exalted Yazatas, the bright Heaven, Garothmaan, the revolution of the  
sky,  
the shining Sun, the brilliant Moon, Stars of many kinds, the winds, atmosphere,  
water, fire, the earth, trees, beneficent cattle, the metals and mankind!

(3) I worship and pay homage to that virtuous Lord  
who made mankind the greatest among all worldly creatures  
through the faculty of thinking and by bestowing intellect  
for combating the evil ones, for opposing them and even abstaining away from  
them!

## SPD Explanation:

1. In his thesis, Dr. Purviz Kolsawalla, Sydney, Australia, writes about  
Doaa Naam Setaayashne:

“It is a complete prayer which in itself could be used as such when due to  
lack of time, we can not go through our regular schedule of prayers.”

2. Our most eminent scholar Dr. Ervad Jivanji Jamshedji Modi travelled  
extensively in Europe and Iran in 1925-26 and in the city of Baku, Azerbaijan, he  
discovered a 7 story high tower that he believed was an ancient Atash Kadeh!  
Standing on its highest floor terrace, he said:

There must be an Aatash Kadeh here!

This minaret is taller than 80 feet. The climbing steps are on one side  
and its diameter at the top is as large as forty feet.

From the top, you can see the vast sea shore of Vourukasha sea  
(Caspian sea), and from its ramparts you can observe the nature's sun,  
moon, and stars.

This reminds me of our Doaa Naam Setaayashne prayer: ‘O khur  
tava, O mâha bâmi, O sataré vash-tokhama, bâd andarvâe, O âv, O  
Âtash, O zamin, O orvar, O goshpand, O ayokhshast O mardum.’ ‘He  
created the light giving Sun, full of light Moon, many types of Stars,  
wind, air, water, fire, land, trees, animals, metal and man.’

And imagine praying this at the top of this seven story high Atash Kadeh!

**May the Flame of Fellowship, Love, Charity and Respect for all burn ever eternal in our hearts so we can do HIS work with humility, diligence and eternal enthusiasm!**

**Atha Jamyaat, Yatha Aafrinaamahi! (May it be so as we wish!)**
