

Selected Z Quote # 14 – [Spenta Mainyu Gatha: Yasna 47 para 1](#)

Today 15-Aug-2013

66 years ago at the stroke of 12 midnight, the whole India awoke with tremendous fanfare of music, drum beats, Shehnai, sitar, etc. to celebrate the birthday of Newly Born Independent India and what a joyful sight it was! I with my friends in Cama Athornan Institute celebrated this day with lots of fun! And we wish you all Happy Independence Day India!

And today, we are in the midst of our 5 Gatha Days of the Shehenshahi 10 Mukta Days, the third Spentomad Gatha and it will be appropriate to quote our Vakhshur e Vakhshuraan Zarathushtra Spitaman's own Gatha Spentomad, the first Para of Yasna 47:

**Speñtaa mainyû vahishtaachaa mananghaa,
Hachaa ashaat shyaothanaachaa vachanghaachaa,
Ahmaai daan haurvaataa ameretaataa,
Mazdaao khshathraa aarmaitî ahurô!**

**Through His holy spirit and His sovereign mind,
Ahura Mazda will grant self-realization and immortality
to him whose words and deeds
are inspired by righteousness, moral courage and divine wisdom.**

([Spenta Mainyu Gatha: Yasna 47.1 Sethna translation](#))

In this first Para of Spenta Mainyu Gatha, it is very interesting to note that all 7 Amesha Spentas are mentioned.
